

International Committee – February 19, 2020 – 2 - 3 PM

Begin: 2:05 pm

Attendees: Carol Motycka (chair), John Gums, Jenny Lo Ciganic, Teresa Cavanaugh (ex-officio), Randell Doty (ex-officio), Christen Langley, Adam Dzedzy

Minutes from the last meeting were approved by a quorum and order was called by Dr. Motycka.

Student Participation on Committee

The International VPs from each of the Gainesville, Jacksonville and Orlando campuses have been invited to join the committee. For this year, the student members will include Jacques Derival (Gainesville), Christen Langley (Jacksonville) and Darla Quevedo (Orlando).

Short Study Abroad trips

There will be three Short Study Abroad trips offered this year: PharmThailand, PharmUK and PharmScan. Students have been assigned to each trip and itinerary planning is underway.

Thai Consortium

The members of the PharmThailand trip will be attending the 2020 Thai Consortium in Bangkok as a part of their Short Study Abroad trip. These will be the first UF students to attend the meeting, providing them with the opportunity to interact with Thai students and faculty, as well as those visiting from other Consortium members from the US.

Update on Certificate in Global Health

A few points need to be addressed prior to the implementation of this certificate program, such as the delivery methods for non-pharmacy electives. This needs to be confirmed so we can ensure that all campuses have access to such classes.

International Awards

There was a discussion about supplementing the monetary component of the college's three annual International Awards in order to help the recipients attend international conferences. Additional funding from new donors could help bolster the current awards. Dr. Motycka will work with our Development team to explore options.

The next International Committee meeting is scheduled for March 18 from 2:00 – 3:00 pm.

End: 2:45 pm
